

# Can You Imagine?

100% literacy in the Upper Darby School District?  
Every young student in every school reading by 1<sup>st</sup> grade?  
It can happen, but we need your help.

*You can help by honoring someone with a BRAVO Award while supporting the Upper Darby Arts and Education Foundation.*

Hands-on technology provides the interactive experiences that studies have shown enable children to learn more effectively and to perform better in school. Currently, the literacy rate of children entering 2<sup>nd</sup> grade in Upper Darby is only 64%.

Your donation will aid in the purchase and installation of vital technology in our K-2<sup>nd</sup> grade classrooms throughout the school district that will help our children learn to read. The initiative's mission is to achieve 100% literacy.
