

Can You Imagine?

100% literacy in the Upper Darby School District?
Every young student in every school reading by 1st grade?
It can happen, but we need your help.

You can help by honoring someone with a BRAVO Award while supporting the Upper Darby Arts and Education Foundation.

Hands-on technology provides the interactive experiences that studies have shown enable children to learn more effectively and to perform better in school. Currently, the literacy rate of children entering 2nd grade in Upper Darby is only 64%.

Your donation will aid in the purchase and installation of vital technology in our K-2nd grade classrooms throughout the school district that will help our children learn to read. The initiative's mission is to achieve 100% literacy.

The BRAVO Award

Has someone inspired your child to succeed in school?

Did someone have a positive effect on your life?

Did someone go the extra mile to assist you?

A BRAVO Award is a great way to say thank you. Your special person will receive a letter of recognition, a certificate to commemorate the distinction, and their name will appear on the Foundation website.
